Over on the east side of St. Tammany Parish, in the Slidell and Pearl River area, there are several operators that conduct tours in flat bottomed boats of the [Honey Island Swamp](#), with entertaining captains who double as naturalists and give insight into the ecosystem and the flora and fauna that live there. The Honey Island Swamp tours are a great way to see alligators in the wild, as well as boar, raccoons, and numerous bird species. The [Dew Drop Jazz Hall](#), built in 1895, is the oldest unaltered jazz hall in the world, and guarded by ancient moss-draped oak trees not far from Mandeville’s lakefront. The [Abita Springs Opry](#) plays Louisiana roots music at the town hall; its wooden floors and pecky cypress-lined walls create an acoustically satisfying setting.
