But you don't have to give up your creature comforts to enjoy the natural tranquility here. You'll also find the quality accommodations and amenities you expect in a first-class resort.

Golf

Cypress Bend's championship golf course is like no other in the region, and has been featured in *Southern Living* and recognized by *Golf Digest* as one of its four-star "Places to Play". Ten of its holes play alongside or over water and it offers both stunning scenic views and challenges to every aspect of your game. Cypress Bend is a founding member of Louisiana's Audubon Golf Trail.

A fully-outfitted pro shop will meet most every golfing need. The adjoining Cypress Café serves casual fare throughout the day and offers personal coolers to-go for your favorite beverages.

Activities

Scenic nature trails also wind through (and up and down) the resort property, inviting guests to enjoy everything from an easy stroll to a testing mountain bike ride of eight miles! An impressive and sparkling fitness center is also at your disposal, featuring the latest equipment. And "inviting" is the perfect word to describe Cypress Bend's heated indoor-outdoor pool.

Toledo Bend Lake is widely known for world-class fishing and our staff can help arrange a professional guide to show you where the big ones swim. There's even a sand beach at the nearby state park. If antiquing is more your thing, there are more than a dozen stores within a short drive from the resort.
