first and only REAL indoor ice rink in New Orleans, 8-foot-tall ice slides, and even a snowball fight area! In the Gingerbread House Exhibit, dozens of gingerbread creations will surround the famous walk-through gingerbread house, providing the perfect place for guests to visit and take photos with their favorite Christmas characters.

Activities:

Ice Rink

Thought ice skating just existed at the North Pole? Think again! At NOLA ChristmasFest, the whole family can take a spin on New Orleans' only REAL ice rink. The pay-price admission includes skate rental.

Ice Slides

Made with real ice, when you glide down these two icy slides in inner tubes, you'll feel like you're skiing the slopes of Colorado!

Carnival Rides

With seven rides to choose from, there's an attraction for everyone in the family. The Kringle Carousel is perfect for all ages, while Comet's Tail is best for thrill seekers looking to defy gravity while spinning through the air.

Winter Inflatables

Bouncy - It's a little bit tough to make a snowman in New Orleans, so we are bringing in a friend from the North. Bouncy is a 30' tall snowman that will blow your average wintertime snowman away in a snow drift. This inflatable can accommodate 25 adults and children at a time so the whole family can bounce and enjoy!

SnowZilla Jr.

This 30' tall, 90' long mobile slide comes complete with two sliding lanes and a moon bounce at the bottom. Festival-goers will be able to race their friends to the bottom and bounce right back into the winter wonderland below. Take the plunge and come try it at NOLA ChristmasFest.

Snowball Fight Area

Hide behind "ice blocks" and surprise your friends with "snow balls" high and low.

Synthetic Curling

Be an Olympian for a day as you perfect your curling skills with your friends.

Polar Golf

NOLA ChristmasFest is bringing one of New Orleans' favorite summer activities into winter wonderland. This 9-hole, inflatable golf course will provide fun for the whole family with bends, turns, ramps, and trick holes. Complete a chilly golf tournament or practice your putting skills!

Rock Climbing

Can you reach the top? With three different sides, you can test your climbing ability and master the tallest attraction at NOLA ChristmasFest.

Decorated Christmas Trees

Marvel at more than 40 beautifully decorated trees, each one prettier than the next and perfect backdrops for memorable photos with friends and family.
